

About us

Founded by the Functional Nurse, The Functional Skin Studio is dedicated to holistically achieving your aesthetic needs. We are so much more than just a Cosmetic Clinic!

We incorporate a team of highly experienced medical and allied health professionals who utilise Cosmetic, Dermal & Natural health services to help you glow from inside out and outside in.

In addition to our results-driven services, our retail store boasts over 100 Aussie natural skincare products including our very own sell out range.

We're open

*Retail store open

THE FUNCTIONAL SKIN STUDIO

A professional team of Doctors, Nurses, Facialists & Naturopaths providing a holistic approach to aesthetics & skin health.

THE RELAX ZONE

Our highly skilled facialists not only bring in-depth knowledge of skincare to the table but also approach each session with a holistic touch.

The Functional Facial – Price \$150

An introductory facial for those unsure where to start. Consultation, cleanse, exfoliation & custom mask.

Rest & Reset Facial – Price \$190

A deep nurturing facial to soothe the mind, skin and soul.

The Clear – Acne Facial Or The Calm-Sensitive Facial – Price \$160

A custom facial including LED Light therapy targeted for acneic or sensitised skin.

The Lymphatic Enzyme Facial- Price \$190

The Enzyme therapy mask improves lymphatic drainage, whilst eliminating toxins and impurities from the skin.

LED Light Therapy- Price \$80

An express light treatment utilising the power of our Medical grade LED machine.

The Neolifting® + Buccal facial- Price \$380

The Buccal Facial Sculpting treatment harmoniously combines mindfulness, breathwork, lymphatic drainage, LED light therapy, NeoLift® sculpting methods, and skilled Buccal (Intra-oral) massage

Vitamin A Infusion -Price \$220

A Vitamin A Infusion is the first non-acid peel that creates a substantial increase in fibroblast activity as well as significant stimulation in collagen production.

THE DERMAL ZONE

These specialised treatments adopt a more clinical and results driven approach, administered by either our qualified Dermal Therapists or Registered Nurses.

Skin Needling – Price \$250 face or \$320 for Face + Neck + Dec.

EXCEED needling is a medical microneedling device clinically proven to visibly reduce wrinkles, acne scarring and improve overall skin integrity.

Bio Re-Peel – Price \$220

A non-invasive, minimal downtime peel that helps to reduce pigmentation, scarring, reduce enlarged pores and decongest your skin.

The Plasma Facial (PRP) Price Varies

PRP is a regenerative treatment that harnesses and amplifies the natural growth factors found in our blood cells. The injection of your own Plasma can help reduce scarring, improve skin texture and soften fine lines.

Skin Booster treatment- Price Varies

Hydration injected deep within your skin to help skin retain moisture and reduce fine lines.

Hydra Glow treatment- Face- Price varies

Hydra glow combines hyaluronic acid skin boosters & your own plasma to stimulate collagen, hydrate, plump, and tighten the skin.

Bio Remodeling (Profilo)- Price varies.

A skin boosting treatment formulated to infuse moisture into the skin, improving firmness, texture and volume while providing intense hydration and rejuvenation of the face or neck.

THE NURSE ZONE

These services are classed as medical cosmetic procedures performed by our highly experienced and qualified Registered Nurses and Doctors.

Wrinkle reduction- Price varies

We offer consultations to discuss services to reduce the appearance of frown lines, forehead lines, crows feet, neferiti, platysmas, lip flip & **masseters.**

Volume enhancement – Price Varies

We provide consultations to discuss services to enhance areas such as lips, cheeks, chin, jawline, temples & full face rejuvenation.

PDO Mono threads – Price varies

Polydioxanone mono threads are a dissolvable suture that is placed into the skin to stimulate collagen and reduce appearance of lax skin, scarring and deep set lines.

Submental volume reduction- Price varies.

We provide consultations to discuss services to help remove the small, stubborn fat deposit under the chin.

THE CONSULT ZONE

Online skin consultation – \$120

A thorough skin consultation via zoom.

Nurse/ Doctor consultation – Price varies.

Consultations to discuss full face rejuvenation.

Naturopath consultation – Price varies

Our Naturopath assists individuals address the root cause of their symptoms to unearth long-term health results.
